## Preparing for Winter

"Let It Snow, Let It Snow, Let it Snow," **NO!!**. As much as we would love to have no inclement weather this winter, it is unrealistic to assume we would be so lucky. As such, it is best that we prepare the studio to handle weather-related closings.

We highly recommend that all Premier families take advantage of "Team App." This

free app will give families access to the latest, greatest information at Premier. Step-by-step instruction on how to set up the app are available at <http://premieracademyofdance.com>. In addition to the Team App, we will do our best to keep you informed through email, texting, our website,

social media (Facebook, Twitter, Instagram), and through outgoing messages on the studio's answering service. Though we try to be consistent with the Avon Community schools, we ask that you utilize these tools to verify potential closings.

## Breakfast with Santa the Holiday Show—December 15

We are excited about the upcoming Breakfast with Santa on Saturday, December 15, at the Hendricks County Fairgrounds

Remember, if your dancer is interested in participating in this show, a t-shirt order must be ordered by November 10.

There will be three shows (times TBD). Watch for performance times to be posted on the bulletin board.

Dancers should arrive 15

minutes prior to show time ready to dance. Costumes for this event:

- Tights
- Plain Black Shorts (any brand/type...However, "Premier" black shorts will be required for the Pacers' performance.)
- Christmas T-Shirt
- Dance Shoes
- Hair should be pulled back in a

ponytail or clipped back off of the face

- No stage makeup required
- This special event is open to the public. Advanced tickets can be purchased at the studio for \$7/single show or \$12/multiple shows. Tickets can also be purchased at the door for \$8/single and \$13/multiple shows.

All practices take place during class time.

## Pacers' Performance, December 8

ALL dancers (age 5 and above) are invited to be part of Premier's pregame performance at the Pacers' game on Saturday, December 8. Dancers will perform the large group Christmas number they are learning for the holiday show.

Order forms for tickets (\$18/\$25/\$55 each) are available

at the front desk. Everyone, including the dancers, will be required to have a ticket. Ticket orders must be submitted and paid for by **November 2**.

No matter the price level of tickets that are purchased, the Pacers' organization allows family to go courtside during

the actual performance and then return to your assigned seats immediately following.

Dress for the performance will include: Christmas t-shirt, black "Premier" shorts, tights, white or Christmas socks and tennis shoes.

## Premier Student of the Month

I'm so excited to announce Alaina Gulley as our November Student of the month! Alaina has always been a pleasure to teach. She is one of those dancers who comes into class with a smile on her face every day! Even as

a little girl she stood out in a class as a kind, welcoming, and hard working dancer. What has been the best, however, has been watching her personality emerge. Alaina is always quick to smile and laugh, but even quicker to make others laugh and she has the timing of a seasoned comedian! Thanks, Alaina, for being the kind of dancer others can turn to on a bad day. Thank you for always knowing when its time to focus and when its time to have fun. We love to watch as you develop your own self on stage with beautiful lines and in-

credible grace. You are a star student and I look forward to watching you mature into one of those dancers you can't take your eyes off! Keep flying high and smiling big! P.S. Thanks for helping keep my cubby clean!

## Special Thanks!!!

If you haven't had a chance, take a stroll down the hall and take a look at the beautiful new dance floor in room 4.

This new floor was installed over fall break! Replacing the floor was the

result of countless hours of labor and would never have been possible without the hard work of many of the Premier Dads! Thank you each and everyone! Special thanks to Tyler Copeland (Glenroy

Construction) for his tireless efforts in making sure that our dancers have a safe, quality surface on which to practice. Words cannot express our gratitude for everyone who helped to make the new floor a reality!
